Ceylon Asset Management

June 2025 – May 2026

The company incorporated in 1999 was re-launched as Ceylon Asset Management Co. Ltd. (CAM) in 2005. Under the regulatory framework of the Securities and Exchange Commission of Sri Lanka (SEC), we manage eight funds, including the only dollar bond fund in Sri Lanka, with Deutsche Bank AG as the trustee and custodian.

Scope of Responsibilities:

As the Chief Marketing Officer at Ceylon Asset Management, provide strategic leadership by defining and executing the company's long-term vision and growth objectives in alignment with shareholder and stakeholder interests. Oversee the full scope of operations including corporate sales, client relationship management, investment strategy, marketing, finance, research, and human resources. Identify and capitalize on growth opportunities across local and international capital markets through the launch of new funds, innovative investment products, and strategic partnerships. Ensure full compliance with the regulatory framework of the Securities and Exchange Commission of Sri Lanka and the listing and disclosure requirements of the Colombo Stock Exchange. Uphold robust corporate governance and enterprise risk management practices across all business units. Provide oversight to investment functions, ensuring disciplined processes in portfolio construction, performance monitoring, and risk control, while approving final investment strategies for mutual funds, unit trusts, and discretionary portfolios. Serve as the organization's lead spokesperson, managing communication with investors, regulators, clients, media, and the Board of Directors. Drive operational excellence by leading continuous improvement initiatives and adopting technological innovations. Maintain the financial health of the firm through effective budgeting, capital planning, profitability oversight, and fiduciary responsibility. Build and nurture a high-performance culture based on integrity, accountability, and service excellence, while mentoring senior leaders and enabling talent development and succession planning.

Key Achievements:

- Launched the company's mobile app, improving client accessibility and digital engagement.
- Introduced company brand internally and externally to enhance corporate identity.
- Implemented AUM calculations and commission allocation systems across all funds.
